ARP PULLING FODDER

A Rural Task for a Modern Philos-

He Dives Bown Into the Tricks of

Trades and Shows How One

Class Gonges the

Other.

[Atlanta Constitution.]
We are pulling fodder now. I ve hired two
nen to pull by the day and two to pull by

dles, and some of them are mighty light.

But it is all right I reckon. They are watch-

hands in a bundle, but you can't count the blades in a hand, and so they can make them

heavy or make them light according to pay.

've hired cord wood cut by the cord and they can pile it so loose that a pack of hounds an follow a fox right through it and never touch a hair. But it is no deep laid scheme to cheat you. They are just sloshing along and you can settle with a darkey easier than

The Lord never made such an easy u

white men who take advantage of them and

steal it, so it is all right anyhow and the races

price whether it is good or bad, and it is

buckle and tongue whether the merchant can

get ahead of his customers or they get ahead

of him. One thing is certain, when the mer-

r weight or measure he hears of it if it is in

The miller mixes corn meal with his flour

nowadays. They all do it up north and our

millers say they have to do it too to keep up,

and they comfort themselves with the idea

that it is healthier and better, even though it

is a fraud upon the consumer. The baker

five weighed just as much as the six do now

and serene. There is a power of comfort in

going home and showing up their bargains.

It proves that you are smart in a trade, or

But the biggest fraud of all is in the ma

eap oftener than the woman. I'm not talk-

ing about the regular society woman in a town or a city for I don't think that anyody can cheat her, she is generally an ice-

berg in a passel of fine clothes, and she don't

man. The time used to be when a ma

women may be seen nowadays walking to

the end of the piazza about ten times in fiftee i minutes looking up the street for her husband,

but he don't hardly ever come according to time. Folks didn't do that way in my days, and my sort of folks don't do it yet. Mrs.

Arp don't have to look up the road for me.

I am. This shows the good effect of early training, and so I am obliged to advise the

No, sir. I'm on hand before she wants me

young women to break in their husbands as

soon as possible. You can manage a colt

is almost impossible to reform a balky horse.

There are the tricks of the lawyers that

ould fill a book and are too tedious to men-

tion, and the tricks of the doctors and the

politicians and the patent medicine men. The editors help them last fellers out and di-vide the profits. They don't certify to the

lies, but they keep them spread out before the people and scare them mighty nigh to death

with their awful pictures of snakes and hor rible things. Well, it is a wonder that any

body has got anything, for it looks like most

everybody is trying to get what everybody

has got, and they take the nighest cut to de
